

COMPLETION OF EQAO TEACHER QUESTIONNAIRE

**Members are advised not to complete the
EQAO teacher questionnaire.**

September 2010 Executive Motion (76) approved the issue of the advisory that directed members not to complete the EQAO teacher questionnaires.

The General Secretary ensures that all provincial advisories are posted on the website and that all advisories are reviewed annually and recommendations of their status are presented at the Annual Meeting. The Executive reviewed this member advisory and has determined to reissue it April 1, 2020.

The completion of the EQAO teacher questionnaire is voluntary for all teachers, including those teaching grades 3 and 6.

It is ETFO's position that members not volunteer to complete the EQAO teacher questionnaire that is distributed as part of the EQAO administration process. EQAO offers a questionnaire to all elementary (K-8) teachers. The questionnaire collects information about teacher background, use of instructional resources, communication with parents, and use of school-based testing data. The use of the questionnaire represents an unnecessary expansion of the EQAO testing regime and additional workload for members.

Members are advised:

- **not to complete the EQAO teacher questionnaire.**
